

NAMING CEREMONIES

A Naming Ceremony is a very special way of celebrating the birth of your child and welcoming the new arrival into the family and the wider community. It's also an opportunity to declare, before family and friends, your promise to be as good a parent as you can, and for adult friends or relatives to confirm their special relationship with your child.

Naming Ceremonies are something that you, as parents, choose to do as a gesture of love and commitment to your child. It's a unique occasion for everyone to feel involved as they pledge their love and support for your child's future development.

You can choose many ways to make your child's ceremony a very personal and unique event these can include a selection of poems and readings to enhance the personal and meaningful celebration.
